

Konečně skončila zima a začíná jaro.
I zvířátka si radostí vesele poskakují.
Některá zvířátka dělají malé a jiná velké skoky.
Vyznačte tužkou skoky těchto zvířátek.
Můžete si při tom říkat: hop, hop, hop...

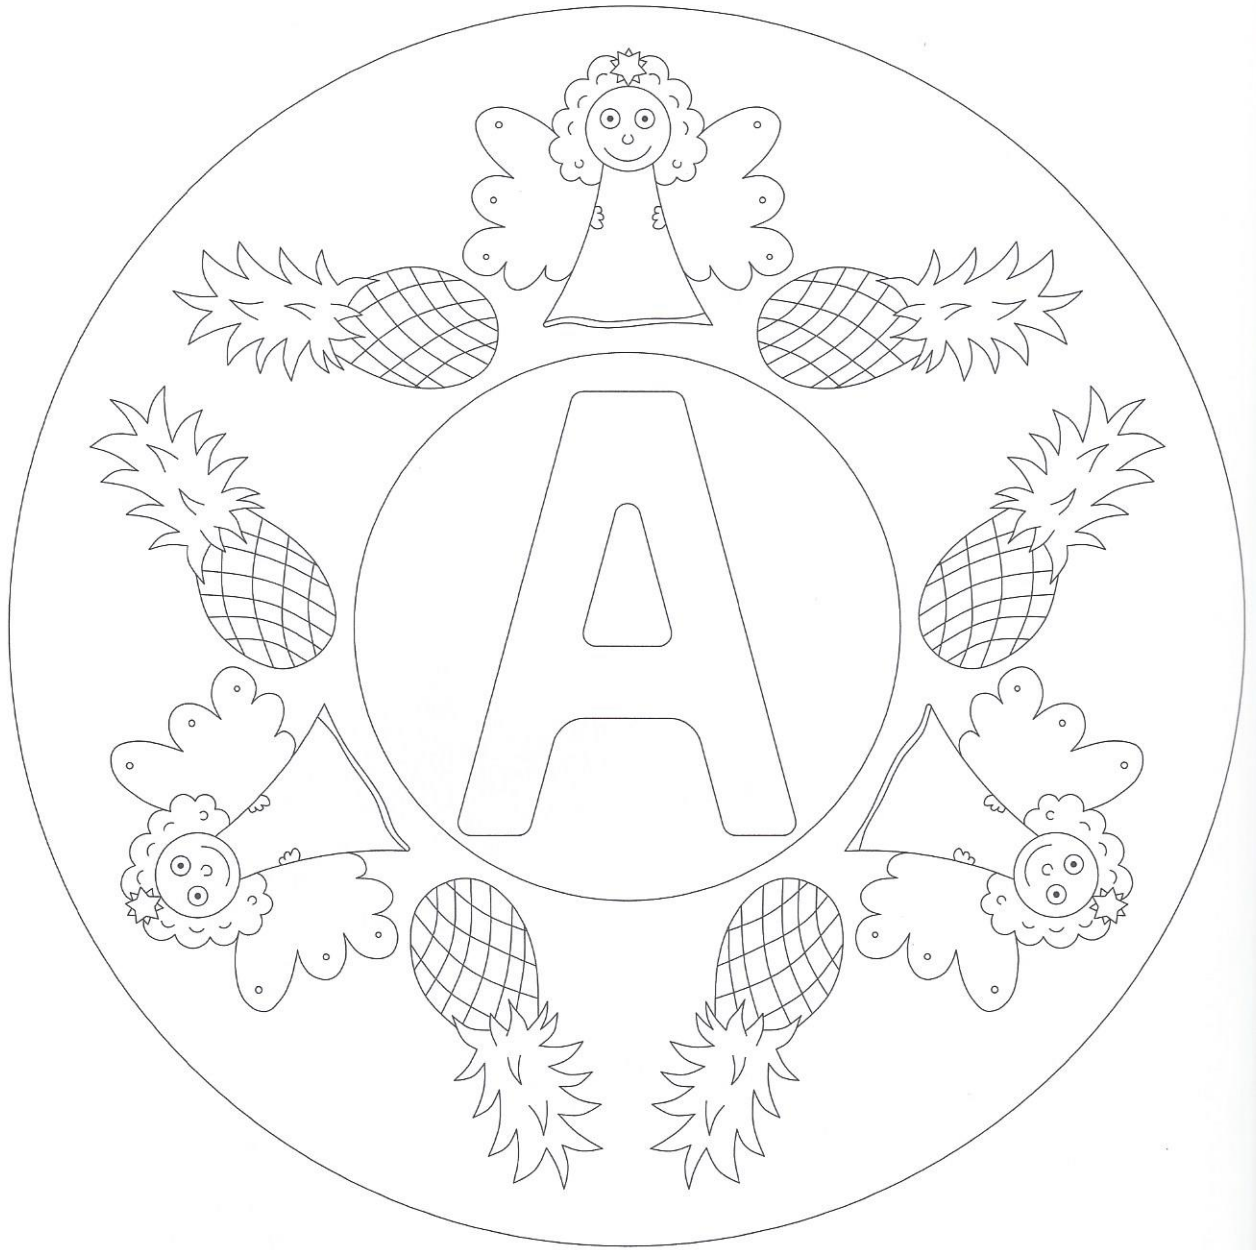

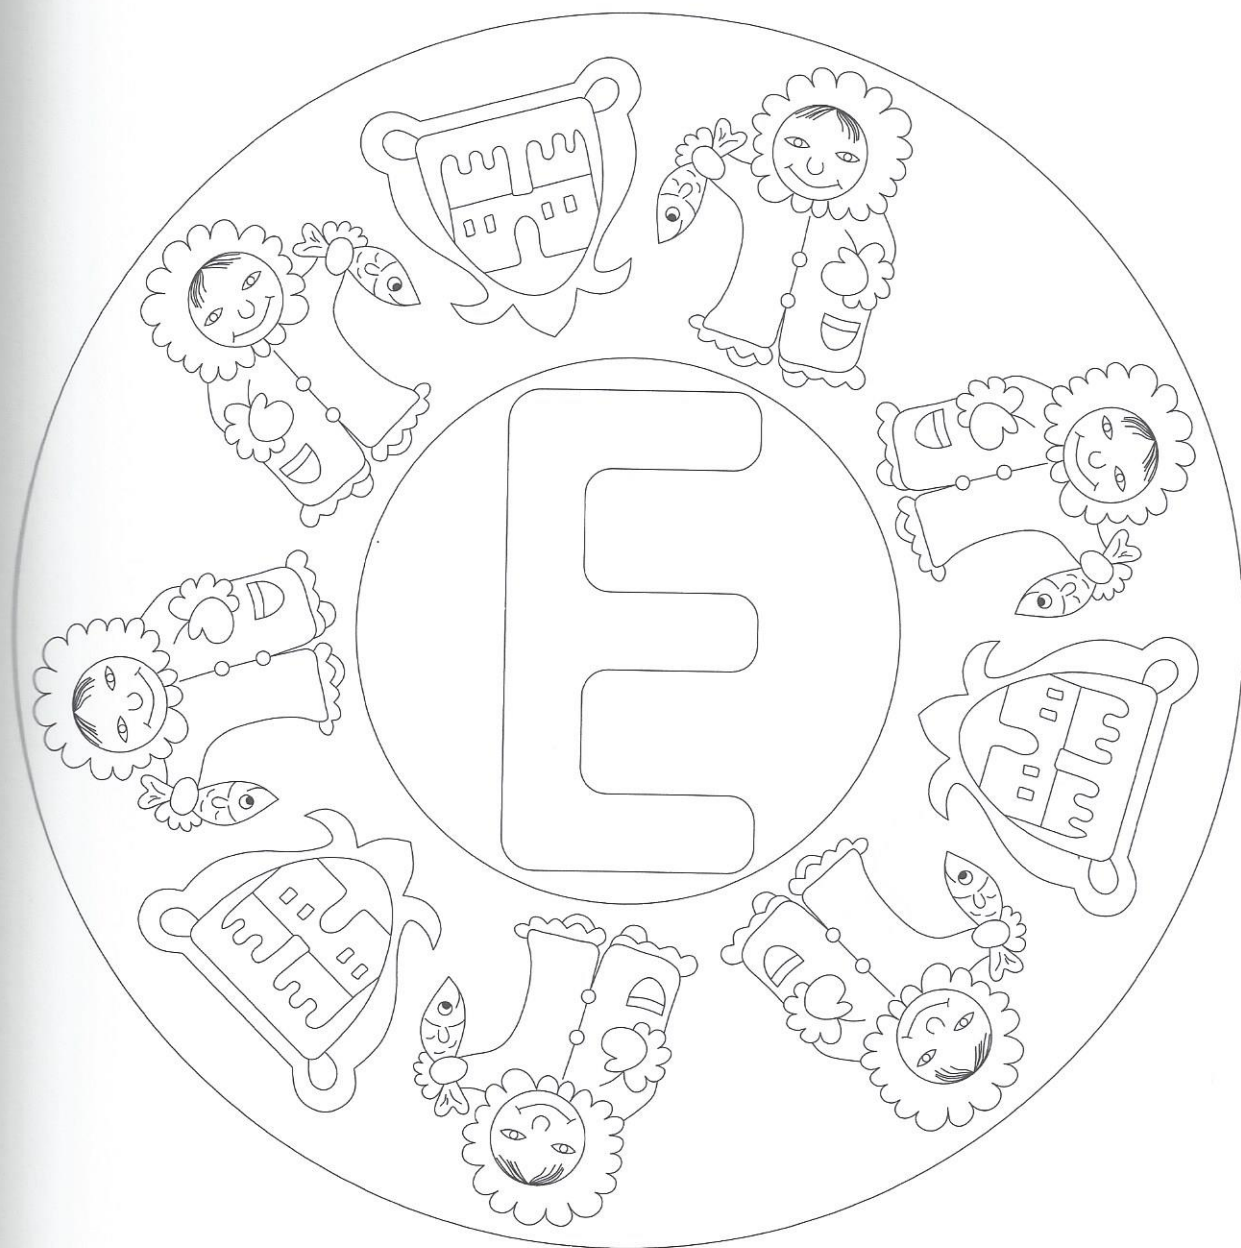

Je krásný jarní den, a tak si půjdu zahrát fotbal.
Budete střílet míč do branky se mnou?
