

Hello children!

I hope you and your family are fine.

Here is your homework for this week.

You can send me your homework on my e-mail: vanhaeren@chelickeho.cz

Take care and hope to see you soon.

1. Put the text with the correct pictures. Přečtěte si jednotlivé odstavce známého příběhu o Robinu Hoodovi a přiřaďte text ke správnému obrázku.

		
<p>a Robin Hood and his 'Merry Men' lived by taking food and money from the king and his officer, the Sheriff of Nottingham.</p>	<p>b That night they celebrated by having a big party in the forest. But this was only one victory. It was a long time before they defeated King John.</p>	<p>c They gave money and food to the poor, which made the sheriff very angry. He wanted to catch Robin and planned to capture him by having a competition to find the best archer in the country.</p>
		
<p>d One man who lost his house was Robin Hood. Robin met Little John, Friar Tuck and some others and went to live in Sherwood Forest.</p>	<p>e King John finally lost the crown when King Richard came back from the wars. People could go back to their houses and were happy again.</p>	<p>f Robin was very good with his bow and arrow and won the prize – a golden arrow. But at the same time, the sheriff's men arrested him and then put him in prison.</p>
		
<p>g Once upon a time, King Richard, the King of England, left the country to go and fight. The new king, his brother, John, was much worse than Richard.</p>	<p>h Under the new king there wasn't enough food for people to eat. John and his men took people's money and their houses.</p>	<p>i Robin wasn't in prison for long. His men came to rescue him by hiding him inside the body of a deer.</p>
