

Dobrý den,

srdečně vás zdravím a posílám práci na tento týden. Nejprve vás čeká malý test. Test známkovat nebudu, pouze ho oboduji. Při vyplňování pracujte samostatně, můžete použít učebnici nebo pracovní sešit. Vyplněný test mi prosím zašlete na vanhaeren@chelcickeho.cz. Společně si test potom zkontrolujeme na Teams.

Přeji vám hezký týden a hodně úspěchu v testu.
